Workout Director: Juan Bracho. Bracho's style of teaching is unique and focuses entirely on increasing the player's self esteem through the acquisition of tennis knowledge and skill. He encourages a player to acquire a graphite racquet with Griplock technology (1 FREE for each player) which you can purchase on our shop at www.tennisbracho.com

Players need to show up on the court on time with proper racquet and water jug. No sodas please!!!

This is a program designed to advance players from total beginner level to match play level.

Not everyone advances in the seasonal 8 weeks cycle.... many times a player needs several cycles before he or she matures into a match player.
