- His goal for each team player is to: improve competitive character, improve skills thru the acquisition of shots and improve match play thru tactical patterns.
- Players will be using the *Steps of a Winner System* that Bracho created to learn shot technique, proper footwork and coordination. Please download App (Tennis Technique) from the Apple store.
- Based on these principles players participate in drills and exercises to acquire these shots.
- Each Session has a Grand Slam theme and it is filled with many challenging experiences both on and off the court. Jump -rope, Pente, Chess and Rubiks Cube are popular during off court time.
- Videos of professional matches (commercial free) and appropriate inspirational movies and music fill the atmosphere around the park.
- Players swim to cool down & we provide 50 spf sunscreen and an electrolyte power drink daily.
